HAIR CAME OUT

Pimples and Scales All Over Body and Scalp. Burned and Itched. Hair Just Full of Dandruff. Completely Cured by Cuticura Soap and Cuticura Ointment.'

27 N. Boulevard, Atlanta, Ga .- "I broke out in little pimples and scales all over my body and the scalp of my head. They spread and finally began to burn and itch and I scratched and they turned into little bleeding sores. If I scratched it would cause an awful burning sensation producing heat all over my body. I just could not rest at night. My clothing would stick to my body when it was awfully warm. Whenever I would comb my hair it would just come out in handfuls and leave large and uneven parts in my hair and it was just full of dandruff. It would scale up and be in spots all over my head. When I parted my hair there would be wide spaces. The eruption became worse and was as little scars or sores. It was dreadful at night; I could not rest or

kinds of salves and ointment. Finally a friend recommended Cuticura Soap and Ointment. I used Cuticura Soap and Ointment on my body and head every day, first bathing with Cuticura Soap and then applying the Cuticura Ointment. I continued this for three months and after a year of Miss Novella B. Daniels, June 25, 1912.

A single cake of Cuticura Soap and box of Cuticura Ointment are often sufficient when all else has failed. Sold by druggists and dealers everywhere. Sample of each mailed card, "Cuticura, Dept. T. Boston."

Hanover County to-day by a small majority voted for \$175,000 bonds for schools and \$100,000 bonds for roads. Few votes were actually cast against the measures, but the advocates had to secure a majority of the registered votes which they did the majority for schools being somewhat larger than for roads. The money will be used to build new schoolhouses and extend the good roads system. This is the largest amount ever voted for school purposes in any county in the State.

STRUCK ON HEAD BY BEAM, DIES

Henderson, N. C. May 27.—A disaster similar to the one which befell the big show of Buffalo Bill at Lancaster, Pa., some ten days ago, occurred here to-day about 2 o'clock. As the large number of people were entering and being seated, a terrific windstorm struck the tent, creating a severe panic, a beam striking the head of Robert Davis, who resides near Henderson, and inflicted injuries from which he died before reaching the hose pital. Attorney Woodhouse Declines to Attend Investigation of His Clash With Principal.

Report of Superintendent Hodges Makes Fine Showing.

Norfolk, Va., May 27 .- Falling of a quorum yesterday afternoon the teachers and textbooks committee of the school board has
been called to meet to-morrow at 4 P. M.
for an Investigation of alleged assault committed upon Principal Jesse Ewell, Jr., of
the Brambleton Schools, by Attorney Woodhouse last week. The committee is expected to advise Mr. Ewell whether he is sanctioned by the school authorities in having
Mr. Woodhouse arrested.

Mr. Woodhouse yesterday sent a letter to
Major R. C. Taylor, secretary of the board,
declining to attend the hearing. In sending
out the call for the committee one of the
cards was sent to Mr. Woodhouse, which
read; yesterday afternoon the teachers and text-

cards was sent to Mr. Woodhouse, which read:

"Please attend a meeting of the teachers and text-book committee on Monday, May 26, at 4 o'clock."

Replying to this Mr. Woodhouse said that he did not recognize the authority of the teachers and text-book committee to investigate his acts or his conduct, and therefore declined to attend.

The trouble between Mr. Ewell and Mr. Woodhouse started when the tencher sent Mr. Woodhouse's ten-year-old boy home with a conduct card with a low mack. Mr. Woodhouse declares that Mr. Ewell met him on the street and said that if the boy had received proper home training it would not have been necessary to send him from school. Whereappon the attorney knocked the teacher down, Mr. Ewell says he did not make any such reference to the boy's home training.

FIFTEEN-POUND POSSUM.

Danville Officers Chase Him Down Sutherlin Avenue and Catch Him.

Danville, Va., May 27.—The two police officers who late last night were seen apparently tracing an escaped prisoner down Sutherlin Avenue, were in reality not after a biped, but a large possum which was, after a short chase, duly captured and carried off. If you don't believe it, ask Peter Cook, for he has the specimen caught.

Two Parties Stop in Roanoke En Route from Florida to New York.

Roanoke, Va., May 27.—C. B., Allen and wife and F. F. Riggs and party of three arrived in Roanoke yesterday morning over the national highway from St. Petersburg. Fla. They are on the way to New York, and have been on the road for three weeks.

Speaking of his trip, Mr. Allen says they found the roads fine all the way until they rah into the rain of inst week and have had it hard since then. Particularly were they impressed with the strickness of Virginia's weil-known red clay. Both machines showed evidence of hard usage. Mr. Allen was enthusiastic over the superior qualities of his car, while Mr. Riggs maintained that the car he was driving was the best.

Both parties were in high spirits, had enjoyed the trip to the fullest extent and anticipated further scenic delights through the Shenandonh Valley.

They left for New York at noon.

Pocahontas Boy on Visit to West Virginia Arrested by Officer.

Pocahontas, Va., May 27.—A Pocahontas boy became a victim of the West Virginia cigarette law on Sunday afternoon. James Patterson, aged eighteen years, of this city, who was a cierk at the old Pocahontas Inn here, on Sunday took a walk across the State line into West Virginia, and while over there thought he would enjoy a quiet cigarette smoke, but before he had-finished he was encountered by an officer who took him into custody. Mr. Patterson is now living in West Virginia, and will have a trial some time next week.

Under the West Virginia law, which went into effect on the 22, the officer is fined if he falls to make an arrest if he catches a boy under twenty-one years of age smoking cigarettes or with them in his possession.

LIVES ENDANGERED BY AUTOS.

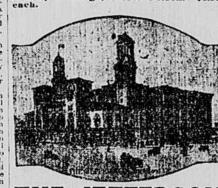

Residents of Washington Street, Suffolk, Fear for Safety of Children.
Suffolk, Va., May 2: There is much complaints from residents of West Washington Street as to the speeding of automobiles of that thoroughfare, especially on Sunday afternoon. According to a prominent resident of that street, the cars spin by at a rate of from twenty to thirty miles an hour, and that in a section, where in one block on

the narrow, street, live twenty little children, all under the age of fourteen years.' The residents feel helpless in the matter, inarmuch at it is almost impossible for a citizen on the sidewalk or on his lawn to swear to the speed of a car. They know the cars are running too fast, in a dangerous and reckless manner.
